POELLATH advises HPE Growth on PPRO's acquisition of Alpha Fintech

PPRO, the leading provider of digital payments infrastructure, acquired Alpha Fintech, a next-gen payments technology company.

Alpha Fintech's cloud-based platform allows for the seamless integration of digital payments products and services, from payment processing and merchant management to risk management, fraud prevention, and data analytics.

The APAC-focussed company has played a pivotal role in accelerating the growth of banks, fintech enterprises, and payment service providers, including New Zealand's BNZ and South-east Asia's super-app Grab.

PPRO will also take over Alpha's 90 paytech experts into its ranks, based primarily in Australia and Argentina, as well as the US and Singapore. Their addition boosts PPRO's regional networks and presence and furthers its mission to become a global payments powerhouse.

HPE Growth is a leading European investor focused on digital and data-driven technology sectors.

POELLATH again provided comprehensive legal advice to HPE Growth as one of PPRO's main investors with the following Munich team:

- Dr. Frank Thiäner (partner, M&A/private equity).
- Dr. Tim Junginger (counsel, M&A/private equity)
