## POELLATH advises SAP Pioneer on the acquisition of a majority stake in okadis Consulting GmbH

SAP Pioneer, a leading provider of software solutions and platforms for the financial services sector, has acquired a majority stake in the consulting firm and SAP software company okadis Consulting GmbH (“okadis”).

The acquisition builds on an already successful and proven partnership between SAP Pioneer and the Eschborn-based company.

Since 2003, okadis has been providing business and SAP consulting services, as well as developing products and individualized solutions for customers in the financial sector who use SAP software. The okadis team contributes accounting, regulatory reporting and analytical banking expertise in the German financial services sector and has many years of experience with SAP Pioneer products.

SAP Pioneer originated in 2021 from SAP, a market leader in enterprise software. The company provides software solutions and platforms for its customers in the financial services sector that cover end-to-end banking and insurance processes through cloud technology and digital solutions.

POELLATH provided comprehensive advice to SAP Pioneer with the following team:

- Christian Toenies (partner, lead, M&A/VC, Berlin/Munich)
- Dr. Nico Fischer (partner, tax, Munich)
- Daniel Wiedmann (associated partner, antitrust, Frankfurt aM)
- Dr. Sebastian Gerlinger (counsel, M&A/VC, Berlin/Munich)
