POELLATH advised the VC fund La Famiglia on the following investments in 2022:

Fides is a one-stop-shop that facilitates and implements the seamless, digital management and organization of corporate governance tasks.

La Famiglia Fonds III GmbH & Co. KG as part of a seed financing round for equipme GmbH (September - October 2022).

equipme offers a procurement and asset management app, providing an easy way to equip employees and home offices with work tools, digitally integrate suppliers and manage inventory.

With Bling, children and young people can pay and learn how to handle money via a prepaid card and associated app. The youngsters pay on the Internet and locally with no risk of debt.
