## POELLATH advises refurbishment consultancy Fuchs & Eule on a Series A financing round

**The Berlin-based startup Fuchs & Eule (“F&E”) has successfully closed a Series A financing round in a double-digit million amount. The investors included Picus Capital, Realyze Ventures and the Amsterdam-based VC fund SET Ventures.**

F&E was founded in 2021 as a digital platform for property management, but was quickly transformed into an independent refurbishment consultancy for property owners in 2022. Based on a comprehensive building database and experienced energy consultants, the company’s innovative digital platform creates individual recommendations for economical, energy-efficient refurbishment of the building. According to the startup, this process has already enabled thousands of property owners to drastically improve the energy footprint of their buildings.

POELLATH advised F&E as part of the Series A financing round with the following Munich-based team:

- Dr. Sebastian Gerlinger (partner, lead, M&A/VC)
- Christian Tönies (partner, M&A/VC)
- Markus Döllner (counsel, M&A/VC)
- Ludwig Niller (associate, M&A/VC)
