## POELLATH advises EOS on the acquisition of Aveso Oy

Flexicode Group, a portfolio company of EOS Partners (“EOS”), has acquired 100% of the shares in Aveso Oy (“Aveso”), a leading Finnish IFS partner. All existing shareholders will reinvest a substantial share in Flexicode Group. Sami Heino will remain CEO of Aveso, and the current management team and all employees across the three Finnish locations will continue in their existing roles. As a result of the transaction, one of the largest providers of IFS cloud solutions in Europe will be created, with revenues exceeding EUR 25 million and around 150 specialists across the Nordic countries and the DACH region, as well as an expanded service offering for customers throughout Europe.

As an official IFS reseller, Aveso provides end-to-end services related to IFS Cloud, including implementation, development, support, and maintenance. The company also has particular expertise in ERP projects in the energy and manufacturing sectors. Its service offering further includes system integration and comprehensive data management solutions.

Flexicode Group is a leading IFS partner in the DACH region, supporting companies throughout the entire lifecycle of their business software – from implementation to ongoing operations. For Flexicode Group, the transaction not only represents a geographical expansion but also strengthens its expertise in IFS EAM and IFS FSM, while simultaneously expanding its data management capabilities.

EOS is a long-term oriented investment firm focusing on mid-sized companies in the DACH region, the Benelux countries, and the Nordic region that have a unique market proposition, sustainable customer relationships, and strong growth potential.

POELLATH provided legal advice to EOS on a management participation program in connection with the acquisition, with the following Munich-based team:

- Silke Simmer (counsel, lead, management participation, M&A/PE)
- Dr. Benedikt Hohaus (partner, co-lead, management participation, M&A/PE)
- Natalie Tafelski (associate, management participation, M&A/PE)
